Here's another interesting comparison. Last year, SEIU-UHW spent almost three times more money on lobbying and political activities than did SEIU 1199NY... even though 1199NY had far more members (273,599) than SEIU-UHW (99,268). In fact, if you tally up the political spending of the five other unions in the table above, it doesn't even come close to what SEIU-UHW spent.

Yes, President Trump gave Democratic women a reason to cheer - and other inside-the-chamber moments. The annual State of the Union address is one of the longest speeches a president gives.

State of the Union: How the address played inside the chamber

Workspace for the Emergent White House Press Corps. Members of the press have had dedicated workspace at the White House since completion of the West Wing’s first iteration in 1902, but the type and frequency of access to the sitting president varied during the first half of the twentieth century. 1 For most of the nineteenth century, newspaper reporters concentrated most of their government ...
