### **Amazon.com: American Immigration: A Very Short ...**

American Immigration: A Very Short Introduction examines the many legal efforts to curb immigration and to define who is and is not an American. It looks at immigration from the perspective of the migrant — farmers and industrial workers, mechanics and domestics, highly trained professionals and small-business owners — who willingly upped sticks for the promise of a better life.

American Immigration: A Very Short Introduction David A. Gerber Very Short Introductions. Brings together white European immigration with Latin American and Asian immigration. Covers all three major waves of immigration.

### **American Immigration: A Very Short Introduction - David A ...**

This exceptional primer on American Immigration provides a nuanced, balanced, and insightful chronicle of how immigrants have entered, adapted to, and often contributed to American society. Written by a British expert in immigration and labor policies, this 146-page overview focuses on illuminating statistics, revealing stories, and a wide range of expert opinions.

### **American Immigration: A Very Short Introduction (Very ...**

"David Gerber has achieved a remarkable feat in synthesizing and interpreting a vast literature on American immigration over the centuries in this short introduction.

### **American Immigration: A Very Short Introduction by David A ...**

There is no attempt at analysis, but that can be hardly termed a flaw since the book describes itself as a very short introduction. Internal migration though has been completely overlooked as well as the beginnings of African-American community. These shortcomings apart, it is a good basic book on American immigration.

### **American Immigration: A Very Short Introduction by David A ...**

Historian David Gerber begins by examining the many legal efforts to curb immigration and to define who is and is not an American, ranging from the Naturalization Law of 1795 (which applied only to "free-born white persons") to the Chinese Exclusion Act of 1882, the Emergency Quota Act of 1921, and the reform-minded Immigration and Nationality Act of 1965, which opened the door to millions of newcomers, the vast majority from Asia and Latin America.

### **American immigration : a very short introduction in ...**

If I could cajole our political leaders to read one book on the history and significance of American immigration, I would choose this thin masterpiece of clarity, focus, and perspective. It's an exceptional title in the often outstanding OUP Very Short Introduction series. Read it!
