Maritime history dates back thousands of years. In ancient maritime history, evidence of maritime trade between civilizations dates back at least two millennia. The first prehistoric boats are presumed to have been dugout canoes which were developed independently by various stone age populations. In ancient history, various vessels were used for coastal fishing and travel.

The Hindu Period in The Indian Ocean: A Naval Power. The spread of Hindu thought was an intellectual conquest, not an exchange of ideas. The Far East counted for nothing in her internal history, doubtless because China was too distant and the other countries had no special culture of their own.

### **Hindu Wisdom - Seafaring in Ancient India**

The history of ancient India is largely a history of Hindu culture and progress. Hindu culture has a distinct claim to a higher antiquity than Assyrian schools would claim for Sargon I and as much or even higher antiquity than Egyptian scholars would claim for the commencement of the first dynasty of Kings.
