

Clinical Reflexology A Guide For Integrated Practice

Clinical Reflexology A Guide For

Reflexology Association of Australia, Official site. Mission Statement. To strengthen reflexology and the knowledge of reflexologists through evidence-based practice, research and promotion.

Reflexology Association of Australia

Reflexology, also known as zone therapy, is an alternative medicine involving application of pressure to the feet and hands with specific thumb, finger, and hand techniques without the use of oil or lotion. It is based on a pseudoscientific system of zones and reflex areas that purportedly reflect an image of the body on the feet and hands, with the premise that such work effects a physical ...
