Some rare individuals can intuit a good solution at each step. But you don't need to guess. BJ has created reliable techniques for success. In Step 1 you can discover the right behaviors by using Fogg's "Magic Wand" technique, followed by "Crispification" and then "Priority Mapping." For Step 2 you can use Fogg's four techniques to make behavior easier.

Creativity is a phenomenon whereby something new and somehow valuable is formed. The created item may be intangible (such as an idea, a scientific theory, a musical composition, or a joke) or a physical object (such as an invention, a literary work, or a painting).. Scholarly interest in creativity is found in a number of disciplines, primarily psychology, business studies, and cognitive ...
