Critique Of Practical Reason 3rd

Jesus on the age of the earth Jesus believed in a young world, but leading theistic evolutionists say He is wrong. by Carl Wieland. The standard secular timeline, from an alleged 'big bang' some 15 billion years ago to now, is accepted by most people in the evangelical Christian world, even though many would deny evolution.

I provide advice about how to write novels, comic books and graphic novels. Most of my content applies to fiction-writing in general, but I also provide articles specifically about superhero stories.. Here are a few tips to help you write better origin stories for characters in superhero novels and comic books.
