vol 6 pg 1. A Philosophy of Education Book 1. Introduction. These are anxious days for all who are engaged in education. We rejoiced in the fortitude, valour and devotion shown by our men in the War and recognize that these things are due to the Schools as well as to the fact that England still breeds "very valiant creatures."

4. Some Things Will Never Change. Out of his front windows George could see nothing except the sombre bulk of the warehouse across the street. It was an old building, with a bleak and ugly front of rusty, indurated brown and a harsh webbing of fire-escapes, and across the whole width of the facade stretched a battered wooden sign on which, in faded letters, one could make out the name—"The ...

Near-future space science fiction almost by definition has the same shared background of a large human presence in space. Practically no SF stories are about the deep space adventures of an automated space probe, they are mostly about astronauts (with or without the Right Stuff) traveling to other planets and doing things. This got started in the early 1940's, since back in that innocent age ...

Definitions of "Science Fiction" And what do we even mean by "science fiction" anyway? In one sense, the first article to define the field was published over 150 years ago, before the field was widely acknowledged to exist: *New Species of Literature* "We learn that Mr. R. A. Locke, the ingenious author of the late 'Moon Story' or 'Astronomical Hoax,' is putting on the stocks the frame of a new ...
