In order to delineate the multiple meanings of inner peace, the author looks at the lives of people who pursued it with dedication, creativity, imagination, discipline, and devotion. He finds hints of peace as a dynamic force in the simple lifestyle of the Shakers and in the organic gardening of Scott and Helen Nearing.

"Cultivating Inner Peace" is a beautifully written and inspiring book. Dr Fleischman examines the lives of extraordinary people such as Tagore, Whitman, and the Nearings to tease out the ways by which they cultivated and manifested inner peace. He then shows how we, too, can cultivate inner peace by employing the same means.

**Inner Peace**

Of my four keys to inner peace, spending time in nature is absolutely necessary to my well-being. You might have seen the YouTube series on Nature Rx , which are spoofs of prescription drug ads and are based on scientific results that show that spending more time in nature improves your health and well-being.
