8. Beginnings of fusion. At the 8 th level of consciousness, the barriers between your ego and the collective are beginning to crumble. There's no longer merely a recognition of your sameness with all those around you, you begin to feel the symbiotic connection that you have with all of creation.. You become aware of energies and realize that all feeling, thought, and action is based on ...

The nature of consciousness, the mechanism by which it occurs in the brain, and its ultimate place in the universe are unknown. We proposed in the mid 1990's that consciousness depends on biologically 'orchestrated' coherent quantum processes in collections of microtubules within brain neurons, that these quantum processes correlate with, and regulate, neuronal synaptic and membrane ...
