

Fathers And Daughters An Anthology Of Exploration

Fathers And Daughters An Anthology

Absent fathers are pervasive in American culture. Father absence is pathological and severely affects the abandoned son's capacity for self-esteem and intimacy. The reason for and type of father absence is important in determining the effects on the adult son. This article discusses the impact of a father's absence on his abandoned son's struggle with self-esteem and intimacy and proposes a ...

A dowry is a transfer of parental property, gifts or money at the marriage of a daughter. Dowry contrasts with the related concepts of bride price and dower. While bride price or bride service is a payment by the groom or his family to the bride's parents, dowry is the wealth transferred from the bride's family to the groom or his family, ostensibly for the bride.

Cultural Context: As time passes, the original cultural assumptions and cultural understanding of phrases and words will all change, making it impossible for many things to be understood by future audiences in the same way that the original authors meant them. The longer ago something was written, the less the context is clear to us today, and this opens the way for much culturally subjective ...

Christian Moral Theory and Morality in Action: Biblical ...

Latest quotes from interviews "The Christian claim is: Nothing explains the facts better than an all-powerful, all-knowing, omnipresent god creating the universe and sending Jesus to spread his message.

While William Shakespeare's reputation is based primarily on his plays, he became famous first as a poet. With the partial exception of the Sonnets (1609), quarried since the early 19th century for autobiographical secrets allegedly encoded in them, the nondramatic writings have traditionally been pushed to the margins of the Shakespeare industry.

A governess is a woman employed to teach and train children in a private household. In contrast to a nanny (formerly called a nurse), she concentrates on teaching children instead of meeting their physical needs. Her charges are of school age rather than babies. The position of governess used to be common in well-off European families before the First World War, especially in the countryside ...
