How do you spend your time? We all have the same number of hours in the day and yet some of us achieve quite a lot while others less so. Author Harvey Mackay suggests that improving our time-wasting habits is the answer. As productivity specialists, we agree with the article he wrote in the Atlanta Business Chronicle August 30-September 5, 2013. It contained seven smart suggestions:

TED Talk Subtitles and Transcript: Scared of superintelligent AI? You should be, says neuroscientist and philosopher Sam Harris -- and not just in some theoretical way. We're going to build superhuman machines, says Harris, but we haven't yet grappled with the problems associated with creating something that may treat us the way we treat ants.

Sick leave (or paid sick days or sick pay) is time off from work that workers can use to stay home to address their health and safety needs without losing pay. Paid sick leave is a statutory requirement in many nations. Most European, many Latin American, a few African and a few Asian countries have legal requirements for paid sick leave.
