Home Page - Ghostly Photographs

And while in this day of digital image manipulation that might not be as true as it once was, these photographs are considered by many to be the real deal - photographic evidence of ghosts. Faking ghost photos through double exposure and in-the-lab trickery has been around as long as photography itself; and today, computer graphics programs can easily and convincingly create ghost images.

Pink Lady, the Ghost of Greencastle. The haunting photograph of a spectre in pink was taken at

O'Hare Mansion in Greencastle, Indiana many years ago. After reports of paranormal activity in the mansion, Guy Winters and his friend Terry Lambert decided to investigate. They took multiple photographs of an upstairs window, as well as a video recording.

Top 10 Famous Ghost Pictures (And the Stories Behind Them)

Ad Blocker Detected. Many so-called ghost photos on the Internet are outright fakes created by accidental double exposure, lens flares, or pareidolia (seeing faces in objects). Yet every so often, you may come across a photo or two that can't be so easily explained. Below are 21 of these still-unexplained photos, and they will chill you to the core.

These 21 Haunting Photos Will Make You Believe In Ghosts

Do you believe that ghosts can be seen in photographs? Well, we were undecided, but, during our travels to ghost towns and other old places, we took a couple of pictures that simply can't be explained. While photographing these places, we were not "ghost hunting;" however, we were in places where ghosts are likely to linger.
