How The Pro Choice Movement

In America an abortion reform movement emerged in the 1960s. In 1964 Gerri Santoro of Connecticut died trying to obtain an illegal abortion and her photo became the symbol of the pro-choice movement. Some women's rights activist groups developed their own skills to provide abortions to women who could not obtain them elsewhere.

The United States anti-abortion movement (or the pro-life movement or right-to-life movement) contains elements opposing elective or therapeutic abortion on both moral and sectarian grounds and supports its legal prohibition or restriction. Advocates generally argue that human life begins at conception and that the human zygote (or embryo or fetus) is a person and therefore has a right to life.
