

International Handbook Of White Collar And Corporate Crime Reprint

International Handbook Of White Collar

The types of crime committed are a function of what is available to the potential offender. Thus, those employed in relatively unskilled environments have fewer opportunities to exploit than those who work in situations where large financial transactions occur. Blue-collar crime tends to be more obvious and thus attracts more active police attention such as vandalism or shoplifting.

In contrast, the white-collar worker typically performs work in an office environment and may involve sitting at a computer or desk. A third type of work is a service worker (pink collar) whose labor is related to customer interaction, entertainment, sales or other service-oriented work. Many occupations blend blue, white, or pink industry categorizations.
