

International Review Of History Education Vol 3

International Review Of History Education

International education refers to a dynamic concept that involves a journey or movement of people, minds, or ideas across political and cultural frontiers. It is facilitated by the globalization phenomenon, which increasingly erases the constraints of geography on economic, social and cultural arrangements. The concept involves a broad range of learning, covering, for instance, formal ...

International education - Wikipedia

The Institute of International Education (IIE) is a 501(c) organization which focuses on International Student Exchange and Aid, Foreign Affairs, and International Peace and Security. IIE creates programs of study and training for students, educators and professionals from various sectors. Every child has the right to access safe, quality education. However, 124 million children across the world are out of school and 250 million are not learning basic skills as a result of poor quality education.

Quality education | Plan International

HIGHER EDUCATION REVIEW is an academic journal concerned with policy and practice, with contributions soundly based in research or scholarship, but with implications for reform or change. It seeks to ensure rigour in these analyses by taking a problem-oriented approach; it is concerned to help formulate the problems of higher education, to consider alternative solutions and to test them.
