Japanese Foodways Past And Present

Ancient Maya cuisine was varied and extensive. Many different types of resources were consumed, including maritime, flora, and faunal material, and food was obtained or produced through a host of strategies, such as hunting, foraging, and large-scale agricultural production. Plant domestication focused on several core foods, the most important of which was maize.

The modern study of Japanese aesthetics only started a little over two hundred years ago in the West. The Japanese aesthetic is a set of ancient ideals that include wabi (transient and stark beauty), sabi (the beauty of natural patina and aging), and yūgen (profound grace and subtlety). These ideals, and others, underpin much of Japanese cultural and aesthetic norms on what is considered ...

Several Southern California cities have seen an overwhelming increase in the number of massage parlors in the past few years. As KCET's Lata Pandya reports, many local leaders and community members have voiced their support for a state bill that would better regulate the massaging industry and restore control to cities and counties.
