We all enjoy a banana as a snack, but for committed Hindus, it can have much greater significance than that. The banana takes on a central role in much of Hindu belief, such as the pontianak (called the churel in India, Pakistan, and Bangladesh), female spirits which are believed to live within banana trees, among other plants. (Note that despite the phrase “banana tree,” the banana plant ...

Top 10 Crazy Little-Known Facts About Bananas - Listverse

It is known from archaeological evidence that a highly sophisticated urbanized culture—the Indus civilization—dominated the northwestern part of the subcontinent from about 2600 to 2000 bce. From that period on, India functioned as a virtually self-contained political and cultural arena, which gave rise to a distinctive tradition that was associated primarily with Hinduism, the roots of ...
