You don't have to be a geneticist to understand why children are expected to resemble their parents. Even long before DNA was discovered, people knew that you could assume that kids would take after Mom and Dad in some ways. That's just as true for animals as it is for humans. Which is why Rosie ...

- - All players sit in a circle. The first player describes the minister's cat with any adjective that starts with the letter "A". Example: "The minister's cat is an adorable cat." The next player must also use the letter "A" - such as "The minister's cat is an angry cat.", and so on all the way around the circle. When it comes back to the first player the letter "B" is used - example: "The ...

Comic strips and comic books make extensive use of onomatopoeia. Popular culture historian Tim DeForest noted the impact of writer-artist Roy Crane (1901-1977), the creator of Captain Easy and Buz Sawyer: . It was Crane who pioneered the use of onomatopoeic sound effects in comics, adding "bam," "pow" and "wham" to what had previously been an almost entirely visual vocabulary.

The alleged offspring of a buck rabbit and a cat is known as a cabbit (or rabcat), a creature with a long and contentious history. Many people consider such hybrids to be impossible, but it's not as if evidence of their existence were lacking. For example, there is a creature in Tucuman, Argentina that seems to be a actual cabbit, not an impossible imaginary one. The following video clearly sh
