From the moment they come into the world, little black girls works just a little bit harder than their peers to construct a healthy sense of self in a society that prizes values and attributes that don't mirror those they possess. We as their caregivers must help them find the way by offering them ...

25 Empowering Books for Little Black Girls - For Harriet | Celebrating the Fullness of Black Womanhood

In this paper I will argue that in the book *Ella Enchanted* gender is depicted as submission, however throughout the text Ella changes these standards through her determination and sense of fearlessness but ultimately falls into the expected female stereotype. The female protagonist in *Ella Enchanted* is Ella who had a spell placed on her as a small child, which required her to be obedient.
