Northwest Corner A Novel

The Northwest Angle, known simply as the Angle by locals, and coextensive with Angle Township, is a part of northern Lake of the Woods County, Minnesota. Except for minor surveying errors, it is the only place in the contiguous United States that is north of the 49th parallel, which forms the border between the U.S. and Canada from the Northwest Angle westward to the Strait of Georgia (between ...

Editorial Reviews. One of the most satisfying aspects of *Nine Perfect Strangers* is that it is thought-provoking but never pedantic. The novel raises fascinating questions about our relentless quest for self-improvement, why we seek out others to transform us and whether external change causes internal change, or vice versa.
