Civil Authority is the moral power of command, supported (when need be) by physical coercion, which the State exercises over its members. We shall consider here the nature, sources, limits, divisions, origin, and the true and false theories of authority. Authority is as great a necessity to mankind as sobriety, and as natural. By "natural" here is meant, not what accrues to man without any ...

A brief overview of the reading: In his Second Treatise of Government, John Locke (1632-1704) argues that legitimate government is a limited government based on consent, in which the majority rules but may not violate people's fundamental rights. At first glance, Locke's theory may seem familiar, but it also conceals some puzzling questions. On Locke's view, a legitimate government may ...

Reverse Racism is a Myth . Assumptions and stereotypes about white people are examples of racial prejudice, not racism. Racial prejudice refers to a set of discriminatory or derogatory attitudes based on assumptions deriving from perceptions about race and/or skin colour. Thus, racial prejudice can indeed be directed at white people (e.g., white people can't dance) but is not considered ...
