West Africa's tremendous resources—human, agricultural, and mineral—are dogged by political instability, poor governance, environmental degradation, disease, extreme poverty, and lack of private investment opportunities. To combat these challenges, USAID's West Africa Regional Mission, located in Accra, Ghana, implements innovative regional activities to address trans-boundary

While Southern Africa has seen significant economic growth, the number of people living in poverty has grown over the last two decades. This region has some of the highest levels of income inequality in the world. Since 1995, USAID has maintained a program in Southern Africa that addresses the changing development challenges of the sub-region.

The First Congo War (1996–1997), also nicknamed Africa's First World War, was a civil war and international military conflict which mostly took place in Zaire (present-day DR Congo), with major spillovers into Sudan and Uganda. The conflict culminated in a foreign invasion that replaced Zairean President Mobutu Sésé Seko with the rebel leader Laurent-Désiré Kabila.

National identity is a person's identity or sense of belonging to one state or to one nation. It is the sense of a nation as a cohesive whole, as represented by distinctive traditions, culture, language and politics. National identity may refer to the subjective feeling one shares with a group of people about a nation, regardless of one's legal citizenship status.

The Vision. The Range Wide Conservation Program for Cheetah and African Wild Dogs was initiated in 2007. It was conceived by Dr. Sarah Durant and Prof. Rosie Woodroffe, who realized that, because cheetah and African wild dogs range so widely, their survival required coordinated conservation action on a massive scale rarely seen in terrestrial conservation.
