The Urantia Book, Part 3, Paper 99 The Social Problems of Religion. 99:0.1 RELIGION achieves its highest social ministry when it has least connection with the secular institutions of society. In past ages, since social reforms were largely confined to the moral realms, religion did not have to adjust its attitude to extensive changes in economic and political systems.

99. The Social Problems of Religion - The Urantia Book

Religion is a cultural system of designated behaviors and practices, morals, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from the ...

1. a philosophical system evolved by Lao-tzu and Chuang-tzu, especially its advocacy of a simple and natural life and of noninterference with the course of natural events in order to have a happy existence in harmony with the Tao. 2. a popular Chinese religion, purporting to be based on the principles of Lao-tzu, but actually an eclectic polytheism characterized by superstition, alchemy ...

Religion - definition of religion by The Free Dictionary

In sociology, a social system is the patterned network of relationships constituting a coherent whole that exist between individuals, groups, and institutions. It is the formal structure of role and status that can form in a small, stable group. An individual may belong to multiple social systems at once; examples of social systems include nuclear family units, communities, cities, nations ...

Our identity is more than our names, or where we live, or the group with which we associate. Identity is comprised of those characteristics, qualities, values, beliefs, morals, ethics, expressions, abilities and patterns of behavior that make a person or a group who they are, and who they have the potential to become. The spiritual journey is often described as a quest to discover identity and ...
