Fieldwork. Field trips are at the heart of our learning experience. Fieldwork enables students to

develop practical skills and apply their learning in real-world situations, preparing them for life beyond university.

School of Environment and Technology - University of Brighton

Students appreciate that they are challenged academically in an environment where teachers take the time to get to know them personally. They also like all the opportunities that are available to them in a big school setting including our extensive after-school, band, and sports programs.
