Southern Theory: Social Science And The Global Dynamics Of ...

"Southern theory" is a term I use for social thought from the societies of the global South. It's not necessarily about the global South, though it often is. Intellectuals from colonial and postcolonial societies have also produced important analyses of global-North societies, and of worldwide structures (e.g. Raúl Prebisch and Samir Amin).

Southern Theory | Raewyn Connell

With a focus on HIV social science, we show that investigators working in and from Africa have produced and disseminated knowledge fundamental to the global domain of HIV research, and argue that their epistemological contribution may be understood within the framework of Southern theory.
