### **The African Press Civic Cynicism**

Public philosophy is a label used for at least two separate philosophical projects. One project often called "public philosophy" is to address issues of public importance through philosophy, especially in the areas of public policy, morality and social issues. [citation needed] In this conception, public philosophy is a matter of content, not style.[citation needed] It must concern certain ...

Erasmus, Desiderius ( ) . Dutch humanist.Erasmus produced editions of classical texts far superior to those of the medieval period and, in *Diatribes de libero arbitrio* (*Discourse on Free Will*) (1524) defended the moral freedom of individual human beings. The *Ecomium moriae id est Laus stultitiae* (*Praise of Folly*) (1509) satirized the political and religious institutions of his time, and many of ...

States and rulers have always regarded the ability to determine who enters or remains in their territories as a key test of their sovereignty, but prior to World War I, border controls were only sporadically implemented. In medieval Europe, for example, the boundaries between rival countries and centres of power were largely symbolic or consisted of amorphous borderlands, 'marches' and ...

This list contains the funniest and most profound thoughts from the greatest personalities of all time. While many were borrowed from from Peggy Anderson's book, *Great Quotes from Great Leaders*, many more have been collected from a great number of different sources. Several of them are popular sound-bites and cliché's today.
