Historians have used the term Republican Motherhood to describe the early American belief that women were essential in nurturing the principles of liberty in the citizenry. Women would pass along important values of independence and virtue to their children, ensuring that each generation cherished the same values of the American Revolution.

'Thirteen Days' Doesn't Add Up by Michael Nelson, Political Science Professor, Rhodes College. The film Thirteen Days, a Hollywood account of the Cuban Missile Crisis, purports to take audiences "behind the scenes" at the White House during the tense and critical period when nuclear war between the United States and the Soviet Union seemed not only possible but likely.
