Sorry for the late reply. From what I understand from the interviews so far, I guess it's because they don't think whatever slight and subtle changes in characters and characters relationship that happened in the movies are enough to change what makes "Code Geass: Lelouch of the Rebellion" what it is.

At some stage in Joanna's life Jesus of Nazareth cured her of an unspecified illness. Luke's gospel mentions 'evil spirits' and 'infirmities', which means that Joanna's illness could have been almost anything.. The Roman world might not know about bacteria, but they knew that illness could be caused by something malevolent from outside entering your body.
