The Copper Beech. The Copper Beech is a 1992 novel by Irish author Maeve Binchy . The novel is centred on the lives of eight people, each of whom has etched their dreams or desires on a large beech tree on the last day of school. The novel follows the progression of their lives and whether or not they accomplish their dreams. Maura...

The Copper Beech - Wikipedia

'The Copper Beech' is a series of interwoven character studies, which tell different parts of a story of a small town community in Ireland, in the middle and late twentieth century. It opens with the description of a large beech tree, which gives shade in the grounds of a primary school.
