The history of socialism has its origins in the 1789 French Revolution and the changes which it wrought, although it has precedents in earlier movements and ideas. The Communist Manifesto was written by Karl Marx & Friedrich Engels in 1848 just before the Revolutions of 1848 swept Europe, expressing what they termed "scientific socialism". In the last third of the 19th century, social ...

once illustrated this philosophical principle of the greater controlling the less, by the following fine conundrum. "Why does the dog waggle his tail?" This problem, being beyond his auditors, was given up. The sage made answer, "Because the dog is bigger than the tail; else the tail would waggle ...

4. Some Things Will Never Change. Out of his front windows George could see nothing except the sombre bulk of the warehouse across the street. It was an old building, with a bleak and ugly front of rusty, indurated brown and a harsh webbing of fire-escapes, and across the whole width of the facade stretched a battered wooden sign on which, in faded letters, one could make out the name--"The ...
