The Misfortunes Of Others End

Moll Flanders is a novel by Daniel Defoe, first published in 1722. It purports to be the true account of the life of the eponymous Moll, detailing her exploits from birth until old age. By 1721, Defoe had become a recognised novelist, with the success of Robinson Crusoe in 1719. His political work was tapering off at this point, due to the fall of both Whig and Tory party leaders with whom he ...

1 Every art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the ...

St. Augustine witnesses clearly and emphatically to this faith of the early Church. Writing to the presbyter Peter, he criticizes the works of Vincentius Victor on the soul, pointing out that they contain nothing except what is vain or erroneous or mere commonplace, familiar to all Catholics. As an ...

The crash of 1825-1826 is sometimes called the first modern financial crisis. Popular accounts of the crash have occasionally exaggerated its immediate effects, but there is no question that it had a marked influence on the way people thought about the economy, the state, and their place within them. It was in the wake of the 1825 crisis that economists realized not only that Britain had a ...

Both in Rotterdam and in Amsterdam the people are packed densely, like herrings so to say, in the large sea-vessels. One person receives a place of scarcely 2 feet width and 6 feet length in the bedstead, while many a ship carries four to six hundred souls; not to mention the innumerable implements, tools, provisions, water-barrels and other things which likewise occupy much space.

The Druze regard themselves to be part of Islam. They hold the Qur'an to be sacred, but look upon it as an outer shell, holding an "inner, esoteric meaning." Their religious texts are known collectively as "Kitab Al Hikma" (The Book Of Wisdom). It is a collection of books, of which the first six are most commonly used.
