Colourful Stitches - FPI Publishing

Quilting is the process of sewing two or more layers of fabric together to make a thicker padded

material, usually to create a quilt or quilted garment. Typically, quilting is done with three layers: the top fabric or quilt top, batting or insulating material and backing material, but many different styles are adopted. The process of quilting uses a needle and thread to join two or more layers ...

Quilting - Wikipedia

Modern Quilting is a modern movement within the quilt-making world that coexists with other movements born thanks to the beginning of the new millennium as an era, and the interest of new young artistic people that felt inclined to express their art through quilting.
