Despite Niall Ferguson's efforts in 2003 to partially rehabilitate British imperialism in his bestselling *Empire* the subject still provokes angry debate. The recent revelations concerning the Foreign and Commonwealth Office's obliteration of archives dealing with British brutality in 1950s Africa and Malaya drew the Empire's attackers and admirers into open combat.

China - The first Opium War and its aftermath: In February 1840 the British government decided to launch a military expedition, and Elliot and his cousin, George (later Sir George) Elliot, were appointed joint plenipotentiaries to China (though the latter, in poor health, resigned in November). In June, 16 British warships arrived in Hong Kong and sailed northward to the mouth of the Bei River ...
