The Origin and Development of the Moral Ideas. Having concluded that there is a close connection between moral opinions and religious beliefs, he decided to acquire first-hand knowledge of the folklore of a non-European people, and to that end spent four years in Morocco collecting anthropological data, familiarizing himself with the native way...

The Origin and Development of the Moral Ideas - Wikipedia

Origins & Development: From the Constitution to the Modern House. It is much more material that there should be a rule to go by than what that rule is; that there may be a uniformity of proceeding in business not subject to the caprice of the Speaker or captiousness of the members. It is very material that order, decency, and regularity be preserved in a dignified public body."

This page is a short history of the origins and development of the English language. The history of the English language really started with the arrival of three Germanic tribes who invaded Britain during the 5th century AD. These tribes, the Angles, the Saxons and the Jutes, crossed the North Sea from what today is Denmark and northern Germany.

History of Social Welfare Policies & Programs Up to the ...

For years we have believed in development. Indeed, with all its hopes of a more just and materially prosperous world, development has fascinated societies in both North and South. Looking at this collective fancy in retrospect, Gilbert Rist shows the underlying similarities of its various theories and strategies, and their shared inability to transform the world.

The development of doctrine, the position of orthodoxy, and the relationship between the various opinions is a matter of continuing academic debate. Since the Nicene Creed came to define the Church, the early debates have long been regarded as a unified orthodox position against a minority of heretics.
