

The Oxford Handbook Of Offshoring And Global Employment

The Oxford Handbook Of Offshoring

The Oxford Handbook of Offshoring and Global Employment deals with a key issue of our time: How do globalization, economic growth and technological developments interact to impact employment? The book brings together eminent authors from a wide range of countries around the world, drawing on their diverse academic and policymaking backgrounds, and specific national or regional settings to assess how global economic changes have affected employment opportunities.

The Oxford Handbook of Offshoring and Global Employment Edited by Ashok Bardhan, Dwight M. Jaffee, and Cynthia A. Kroll Oxford Handbooks. Chapters authored by eminent scholars and, policymakers developed, emerging and developing countries, from 6 continents

The Oxford Handbook of Offshoring and Global Employment ...

This handbook examines how globalization and technological change interact to impact employment, the key politico-economic variable of interest globally. Two other defining characteristics of this volume that set it apart from other edited books on global economic integration are its global reach and its timing and context in the aftermath of the global economic crisis.
