You go back in time to Set Right What Once Went Wrong, only to discover that the "changes" you're making to the past were what "already" happened anyway. In other words, there was no "first time around" - the past only happened once, there were no different "versions" of it, and the changes you made to the past ultimately created the very past you read about in the history books before leaving ...

Choose the Right Synonym for affection. feeling, emotion, affection, sentiment, passion mean a subjective response to a person, thing, or situation. feeling denotes any partly mental, partly physical response marked by pleasure, pain, attraction, or repulsion; it may suggest the mere existence of a response but imply nothing about the nature or intensity of it.

### **Affection | Definition of Affection by Merriam-Webster**

The Victorians were fortunate in the respect that they abided in somewhat more radical times than our 17th-century ancestors. For in 1647, the Puritans - in the form of the Long Parliament of Cromwell - banned Christmas revelry altogether.
