

The Red Flag Communism And The Making Of The Modern World

The Red Flag Communism And

In politics, a red flag is predominantly a symbol of socialism, communism, Marxism, trade unions, left-wing politics, and historically of anarchism; it has been associated with left-wing politics since the French Revolution (1789–99). Socialists adopted the symbol during the Revolutions of 1848 and it became a symbol of communism as a result of its use by the Paris Commune of 1871.

Why are Communists called 'reds'? - Times of India

Jews are very sly. An interesting point that the late Russian author, healer and lecturer Nikolai Levashov made, was that one of the reasons why the Jews managed to launch communism in Russia, in addition to the well-known brute force, was that they played on the Russian people's instinct or affinity for a sense of communal living, or if you like, sense of community.
