CLEAR - Cultivating Leadership Energy through Awareness ...

Like many activities, there are different levels to building a live butterfly garden. Or maybe it's better to say, you can take different approaches to building one.

Butterfly Gardens

Historical and literary background. A number of historical events inspired Voltaire to write Candide, most notably the publication of Leibniz's "Monadology", a short metaphysical treatise, the Seven Years' War, and the 1755 Lisbon earthquake.Both of the latter catastrophes are frequently referred to in Candide and are cited by scholars as reasons for its composition.

Candide - Wikipedia

A successful pollinator garden will not only provide for pollinators and lots of other wildlife, it will

also provide you with the beauty of plants and flowers, healthy activity, connection with nature, and the joy and satisfaction of making a difference.

We thank everyone for participating in taking tangible steps toward building a better world: planting a garden, using less plastic, walking and biking, engaging in local issues, and being here in our community to learn, grow, and come together.

Commune

Welcome Founded in 1925, Illinois Green Industry Association (IGIA) is one of the oldest agricultural organizations in the state. We represent, educate, promote, and protect growers and nurseries, greenhouses, garden centers and retailers, irrigation contractors, landscape professionals, and other green industry businesses.

Why Belong to IGIA

What Our Volunteers Are Saying: "I came to HGP because I was looking for a way to give back. I have been amazed every step of the way at how much being involved has fed me - everything from the people who are there to learn and grow, dusting themselves off to begin again, to those with the knowledge they share.
