Winning With People

Every week, millions of people across the globe shell out handfuls of their hard-earned cash to take a chance at winning enough money to make all of their problems go away.

5 Real People Whose Lives Were Ruined by Winning the ...

Winning hearts and minds is a concept occasionally expressed in the resolution of war, insurgency, and other conflicts, in which one side seeks to prevail not by the use of superior force, but by making emotional or intellectual appeals to sway supporters of the other side.. The use of the term "hearts and minds" to reference a method of bringing a subjugated population on side, was first used ...
